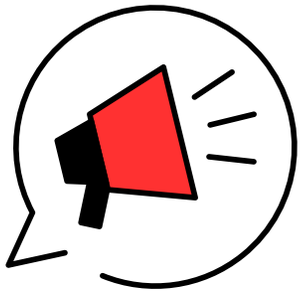
WE ARE

RESEARCH PARTICIPANTS FOR SURVEY



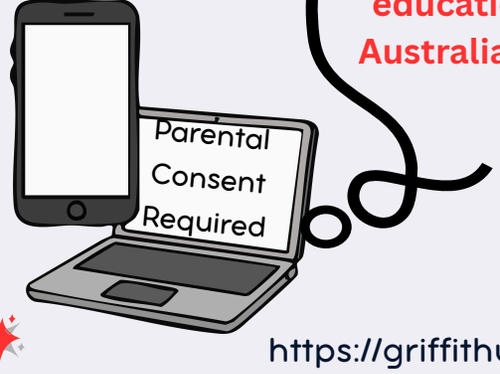
LOOKING FOR

Participants

Are you:

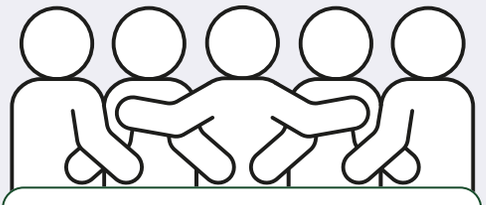
- a high school student in Year 7-12?
- identified as gifted?
- enrolled in and attending any high school anywhere in Australia?

Please consider taking part in this research project.



Identifying the influence of social support sources and types on the educational experiences of Australian gifted high school students.

STUDY 1



What's Involved?

- A one-time, 12 minute, online survey
- Questions about your social supports - friends, teachers, parents, etc
- Completely anonymous
- Computer, laptop and smartphone friendly
